

Persolis strengthens Expertum Group

Persolis, a Walloon based SAP service provider joins the Expertum Group. This partnership allows Persolis to leverage its functional SAP HCM and SuccessFactors expertise in Expertum's services and projects. Thanks to this corporate integration, Expertum can now offer its clients a broader range of services.

July 1st 2025

Specific expertise and strong identity

Persolis is an SAP consulting firm based in Nivelles specialized in SAP HCM and SuccessFactors solutions and is well established in Brussels and Wallonia. Expertum brings knowledge in both technical and functional domains, such as SAP S/4HANA and SAP Business Data Cloud and has significant experience with SAP's cloud & innovation platform, SAP BTP. Expertum is active in Belgium, the Netherlands, Slovenia and Croatia. This collaboration enables both parties to extend their portfolio and services to their customers.

Shared culture and added value of the partnership

“Exchanging knowledge and expertise, with a human touch is what identifies Persolis,” said Stéphane Scaillet, CEO of Persolis. We see the same approach towards customers and consultants at Expertum. This partnership will provide our consultants with broader opportunities through access to a larger client base, while our customers will benefit from a significantly expanded service offering that includes all the capabilities of the new integrated entity.

Important strategic step forward

“With this step, we are taking a big leap forward realizing our ambition to cover the complete SAP portfolio” said Bert Vanstechelman, CEO of Expertum Group. The partnership with Persolis allows us to further extend our services in SAP HCM and SuccessFactors.

About Persolis:

Persolis is an SAP consulting firm based in Brabant-Walloon specializing in SAP HCM and SuccessFactors solutions. Persolis was founded in 2006 by dedicated SAP HCM experts who wanted to do things differently by building an organization based on the sharing of expertise with a human touch. These two cornerstones are still what defines Persolis. Persolis serves both local mid-sized and large companies as well as multinational corporations by providing high-quality SAP expertise in SAP SuccessFactors, SAP HCM and the SAP Business Technology Platform (SAP BTP).

About Expertum:

Since its founding in 2006, Expertum has grown to become one of the leading SAP consulting firms in the Benelux, with offices in Belgium, the Netherlands, Slovenia, and Croatia. Expertum is known for its wide range of highly experienced functional and technical SAP employees and is recognized as a reliable SAP partner. Pragmatic and no-nonsense, Expertum focuses on sustainable collaborations and has expertise in a wide array of SAP products and supporting services (e.g., SAP S/4HANA, SAP C/4HANA, SAP Rise, SAP Data & Analytics, SAP Business Technology Platform). Last year, Expertum already joined forces with Partners in Technology and QRCUS.

About Sofindex

Sofindex is a leading independent private equity firm specializing in buyouts and growth capital for small and medium-sized enterprises in the Benelux region. Sofindex was founded in 1991 by two prominent family-controlled publicly traded groups. Since then, the Sofindex team has evolved towards complete independence and has surrounded itself with a broader range of respected family and (international) institutional investors. Among these investors are entrepreneurs and owners of family businesses in which Sofindex has previously invested.

Since 2015, over €500 million in capital has been raised to invest in Belgian and Dutch small and medium-sized enterprises, many of which have completed dozens of acquisitions both domestically and internationally. Currently, the Sofindex team manages the Sofindex IV fund (established in 2015) with committed capital of €107 million, the Sofindex V fund launched in 2020 with total commitments of €170 million, and the Sofindex VI fund launched in early 2023 with €250 million. The Sofindex funds invest in the equity of successful small and medium-sized enterprises in the Benelux region in partnership with the entrepreneurs and management teams of these companies, supporting their continued growth.
